

This can also be considered as the 5:1 system.

DO more of the number 1 thinking that is working
OR
STOP doing the ONE that is NOT working.

WHAT ARE MY TOP 5 MAIN EXPENSES?

WHY DO I INVEST IN THESE TOP 5 EXPENSES?

WHAT ARE MY TOP 5 EXPENSES WITHIN MY EMPLOYEES & CONTRACTORS?

WHERE IN BUSINESS ARE MY BIGGEST EXPENSES?

AT WHAT TIME DO MY BIGGEST EXPENSES OCCUR?

DO I GET RETURN ON INVESTMENT FOR THESE EXPENSES?

Circle this ONE thing that works for you and do MORE of that.

Circle the ONE thing that IS NOT working and STOP or change the way you're doing it.

GET really clear about this process and through ONE change you can make a massive difference to your outcomes.
